## Sophomores Find Curriculum Challenging

The class of 1969 has the drive, the spirit, the ambition, and the know-how to be a great class. One of their most outstanding achievements was to place several sophomores on championship football, basketball, and baseball teams. The spirited Pep Club pledges screamed themselves hoarse at every game.

In spite of a few unsuccessful traitors who thwarted their ship with eggs, the sophomore float of "Terry and the Pirates" placed second at Homecoming. The class participated in the "Freedom from Hunger" drive and sponsored a dance with music supplied by a class band. Twenty sophomores were admitted into Honor Society with a 3.5 or better GPA.

The class of '69 is coming along in the world, despite the chains of junior high trailing them into this great school.
