# Striving Toward the Top

Highlighting the year for the juniors was the junior-senior prom. The Bend Elks Club became an exquisitely decorated Arabian scene centering around the theme, "Scherherazade."

Like the outstanding success of the prom, the IRL penny drive for a Peace Corps school saw the juniors place first, although collecting far less than last year's winning amount. The Homecoming float, "A Toast To The Lava Bears," placed second behind the sophomores.

In February the juniors sponsored a dance after the Her-miston game. The dance featured homemade ice cream and a leg sale at intermission. Miss Petty's legs brought the highest bid and were sold for \$3.50. The dance brought the juniors \$85 closer to the prom.

At the end of the year, class members ushered at Bacca-laureate and Commencement.
